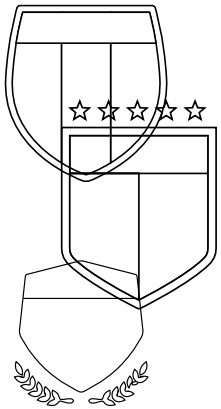
COMPETITION DESIGN A FOOTBALL CLUB BADGE

Design your very own football badge to win a copy of the brilliant book The Beautiful History - Football Club Badges Tell the Story of Britain



WHAT YOU NEED TO DO:

Redesign a football club badge (maybe the team you support, or play for) or create one for a new club that you have just invented.

1. Before you start

Think about what you want the badge to say about the club? Perhaps you can show its location or something from history? What makes the club special? Will the badge feature animals or mythical creatures?

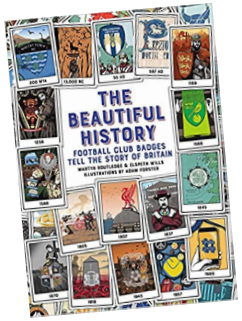
2. Choose the shape of your badge

Your badge can be any shape you like. There are a few examples on the next page to help.

3. Design your badge

Have fun!

Example:
If Teddie the dog had a football team, this is what the badge might look like.



WIN!!

Entries to be in by Feb 26th and sent to **marketing@sportingheritage.org.uk** with contact details. Winner announced 28th February.
