

**TWCMS : 2007.2752**

**club**

A club, made from wood and shaped like a rounders bat, held at the narrowest part with a metal weight at the opposite end. Used by paralympic athlete Jim Richardson. Club throwing is the equivalent of the javelin for Jim's particular class of disability and is the only event unique to wheelchair athletics.

**book**

No image

Paperback book written by paralympian Stephen Miller, who has cerebral palsy. The front cover shows a picture of Miller wearing his Great Britain tracksuit for the Athens 2004 paralympic games and a gold medal. On the back cover is a close up image of the medal. Included in the book are colour photographs of Miller, documenting his life from childhood through to his career as an athlete. Miller has signed the inside of the book. The foreward has been written by Kevin Keegan, former footballer and manager at Newcastle United.
